**General conditions for Russia:**

Port: St. Petersburg First Container Terminal (FCT), Petrolsport (PLP), Fourth Stevedoring Company (Area 4)  
Ust-Luga Ust-Luga Container Terminal (ULCT)

**VAT** Rates include VAT where applicable. However there might be exceptions and VAT to be added on to commodities like theatre accessories, returnable tare, personal effects, some kind of imo cargo, re-export etc.

**Standard terms**  
(unless otherwise agreed)

Chassis Terminal handling charge will always be charged to the line (prepaid). All other costs are normally settled locally. However, if a local agreement is not provided, Unifeeder reserve the right to charge.

Free in / Free out Terminal handling charge, IMO and all other local costs will be settled between the Russian agent/ shipper and the terminal provided that a mutual agreement exists. If there is no agreement, Unifeeder will be charged as per tariff and will settle these costs directly with the line.

**IMO** IMO containers only according to prior acceptance by the terminal (via local Unifeeder agent). Local costs for forwarding, customs documents, customs inspection, reefer connection, power supply, out of gauge units, heated warehouse, etc., are not included. Charges for cargo dues and other cargo related costs are not included.

**Storage expenses** Storage charges as a result of vessel delays or service disruptions at port of loading or port of discharge shall be for account of cargo.

Rates are subject to changes, and to rules and conditions of the port and terminal and the government of the Russian Federation. May be changed at short or no notice. Furthermore, the above rates do not include any local charges beyond the terms covered by the above.
